To Whom It May Concern:

Google is pleased to let you know that Saurav Malani has been accepted to participate in the Google Summer of Code 2019 program, which is administered from our Corporate Headquarters at 1600 Amphitheatre Parkway, Mountain View, CA 94043.

Saurav will work as a Student Developer beginning May 27, 2019 and ending on August 19, 2019, developing open source software for Cloud Native Computing Foundation (CNCf). Saurav is expected to spend 30+ hours a week working on their project. Saurav will work from home on their project and will not be required to visit either Google or Cloud Native Computing Foundation (CNCf)'s offices.

More information on Saurav's project can be found at:
<https://summerofcode.withgoogle.com/projects/5107177784606720>

Saurav will not be directly employed by Google during participation in Google Summer of Code. The program is administered by Google and Google will act as the host organization for the duration of their participation.

This letter serves as official proof and verification of Saurav's acceptance. Alternate proof cannot be provided. However, Saurav may, subject to their mentor's approval, make slight adjustments to the start and end dates of the program, and their mentor can provide verification to supplement this letter.

You can learn more about the program on our website at g.co/gsoc. Should you require any further information, please do not hesitate to contact our team via email at gsoc-support@google.com.

Best,

Tony Urso
